# FONTANA SINKS

Made From DuPont™ Corian®

The sink is at the heart of every kitchen, both in terms of design and functionality. Our superb Fontana sinks combine DuPont™ Corian® with the highest quality stainless steel to offer endless possibilities for the modern kitchen.

Fontana sinks are hygienic and easy to clean. The stainless steel base easily withstands boiling liquid and hot pots and pans. Because Fontana sinks are available in all the Corian® kitchen colours, the sink can be integrated into a matching Corian® worktop for the ultimate in contemporary kitchen style.

Made in Germany, Fontana sinks carry the standard DuPont™ Corian® 10-year limited installed warranty.
